

National Electrical Contractors Association Penn-Del-Jersey Chapter

"Connect with the Best"

THINK EDUCATION, NETWORKING AND JOINING! Become an Associate Member of NECA

What is NECA?

NECA is a non-profit corporation serving the organized Electrical Construction Industry in Eastern Pennsylvania and the State of Delaware.

What is the Associate Member Program?

The purpose of this program is to open lines of communication for information, education and networking and to encourage a better working relationship among contractors, distributors, manufacturers' representatives and all vendors, consultants and service providers to the Electrical Industry.

Why should I join?

The NECA Associate Member Program is an involved, active organization that strives to provide its member with a diverse range of benefits.

What are the benefits?

Associate membership advantages include:

- Invitations to exclusive events and networking opportunities;
- Educational workshops and seminars;
- Inclusion in membership directory containing hundreds of valuable contacts and business leads;
- Access to specialized OSHA and Safety Consulting and training services;
- Use of NECA meeting facilities;
- Invitation to NECA District and National Conventions;

And much more....

How do I get more information?

Call Ken MacDougall, Director of Business Development, to learn more about becoming an Associate NECA member. Ken can be reached at 610-275-0909 or kmacdougall@neca-pdj.org
